Wisconsin Communities

Your ideal practice would be nestled in the beauty of Wisconsin where 4-season outdoor recreation meets innovative, quality healthcare. Our residential communities are safe with beautiful homes at affordable prices and no long commutes. Plentiful year-round recreation such as bicycling, hiking, skiing, fishing, and golf abound. You will enjoy access to metro areas and excellent schools. Nationally, Wisconsin ranks near the top in ACT and SAT scores.

Marshfield Clinic Health System physicians and staff are motivated by our mission to enrich lives. We serve more than 350,000 unique patients each year through accessible, high quality health care, research and education. With more than 1,600 providers in 170 medical specialties and subspecialties as well as over 13,000 employees in 65 clinical locations in 45 communities serving Wisconsin and Michigan's Upper Peninsula, Marshfield Clinic Health System is nationally recognized for innovative practices and quality care.

The Marshfield Promise

Motivated by our mission to enrich lives, we use common values to ensure those we serve feel supported in their healthcare journey and staff and providers are actively engaged with one another. Together through our actions, we promise to deliver compassionate, safe and expert care to everyone.

The Marshfield Promise is centered around 5 core values; Patient-Centered, Trust, Teamwork, Excellence and Affordability.
